Signature of Student

Date

To be filled in by evaluator:

The student named above has applied for admission into the seven-year accelerated BS/PhD Program in the School of Science. Your recommendation will be used in understanding the student's qualifications. Your evaluation will be very carefully considered by the Admissions Committee as part of the student's application. The information will be treated as confidential if the student has checked the confidentiality waiver above.

Thank you for telling us about your experiences with this student. The following areas are particularly important to the Committee: academic performance, motivation, maturity, emotional stability, group interaction skills, integrity, reliability, communication, and perseverance, as well as major strengths or weaknesses. Please use the back of this sheet or a separate sheet for your specific comments and evaluation.

1. How well do you know the applicant? ____________________________

2. In what context do you know the applicant?
   ____________________________________________________________________

3. I would rate this candidate's suitability for the Accelerated BS/PhD Program as:

   Exceptional       Very Good       Good       Acceptable       Not Acceptable

   Top 5%            Top 15%         Top 30%      Top 50%          (Bottom 50%)
